Applicant: Gerhard BROCKMANN et al

Serial No. 10/567,132 Art Unit: 1797

Filing Date: 13. Jun. 2006

Title: STEAM INJECTION MODULE FOR HEATING PUMPED PRODUCTS

Examiner: Charles S. Bushey

July 15, 2009

Attorney's Docket No. SSB201SD

SUPPLEMENTAL DECLARATION

Gerhard BROCKMANN and Regina HERMANN, whose application for a Letter Patent for an improvement in STEAM INJECTION MODULE FOR HEATING PUMPED PRODUCTS, Serial No. 10/567,132 was filed in the United States Patent and Trademark Office on June 13, 2006, declares that the subject matter of the Preliminary Amendment dated February 1, 2006, Amendment dated April 23, 2009, was part of their invention, was invented before they filed their original application, above identified, for such invention; that they do not believe that the same was ever known or used in the United States before their invention thereof, or patented or described in any printed publication in any country before their invention thereof, or more than one year before their application, or in public use or on sale in the United States more than one year before the date of their application, that said invention has not been patented or made the subject of an inventor's certificate issued in any foreign country before the date of his application or an application filed by them or their legal representatives or assigns more than twelve months prior to their application in the United States and has not been abandoned.

The undersigned petitioners declares further that all statements made herein of their own

Supplemental Declaration SSB201 10/567,132

knowledge are true and that all statements made on information and belief are believed to be true;
and further that these statements were made with the knowledge that willful false statements and
the like so made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of
the United States Code and that such willful false statements may jeopardize the validity of the
application or any patent issuing thereon
